

PORA Water Committee
September 1, 2015 @ 9:30 a.m. Minutes
Draft

Attendees: Rob Robbins/Chairman, Todd Patty/Rec Centers, Frank Metzler/Epcor, Shaina Shay/Epcor, David Hunter/Briarwood, Stuart Turner.

Chairman Robbins called meeting to order at 9:35 and introduced himself and discussed some of the purposes of the meeting is to cover and inform the community on importance of water conservation and regulatory issues. Board members were asked to introduce their selves and give a little bio.

Reports: Todd Patty, Golf course water usage 2015. YTD Usage, Used 2,825 acre feet, last year same time period used 2,838 acre feet. About 13 acre feet less then last year. 145 acre feet under budget or 20 acre feet per course under budget. Rainfall totals: 2015=2.91, 2014=3.62 just under $\frac{3}{4}$ less this year.

Shaina Shay announced **events** Arizona Water Festivals, October 20 & 21. Friends of Xeriscaping volunteer program at Sun City facility. Call to sign-up.

Frank Metzler/Epcor reported little damage from recent storms. Power outages, gate blown down. They have many maintenance projects in progress. SCW/Corte Bella water pressure is being equalized. New well drilling is finished so noise complaints should be reduced. Northwest valley plant is having scrubbers installed.

David Hunter/Briarwood: Lost some trees from storm. Over allotment on water to even out during rest of the year. Would like to seal sides of lakes. It's expensive to do.

Meeting **Adjourned** 10:50 p.m.

Next meeting: Tuesday, November 3, 2015 @ 9:30 a.m.
(First Tuesday of the month – every other month)
